

**SENIOR MANAGEMENT TEAM**

Laura Michalski

CEO

Prior to joining Fourth Street Clinic in November 2014; Laura served as the Associate Executive Director and Director of Strategic and Quality Initiatives at CommunityHealth for over 14 years in Chicago. CommunityHealth is currently the largest free clinic serving the uninsured. Under Laura's leadership, CommunityHealth was able to expand program and services; adding two new dental clinics and a satellite site in Chicago's Englewood neighborhood, launch a licensed pharmacy and revamp the organization's mediation access program and increase onsite diagnostic services. Laura oversaw the successful implementation of electronic health record system at both CommunityHealth sites.

Laura has a Bachelor of Science in Biochemistry and a Bachelor of Arts in Criminal Justice from the University of Illinois at Chicago; completed a Project Management Program at DePaul University, Chicago; and completing a Non-Profit Management Program through Kellogg School of Management, Northwestern University. She also was a Mid-American Regional Public Health Leadership Institute Fellow in 2003-04.

Janida Emerson

COO

Janida received her Masters of Science in Public Policy and Management from Carnegie Mellon University in Pittsburgh, PA. After graduating she moved to Washington D.C. to work for the US Government Accountability Office on their Health Care team. In 2011 she began working with community health centers in Utah as the Government Affairs Manager with the Association for Utah Community Health. As an advocate for health centers she worked on issues related to implementation of the Affordable Care Act, workforce loan repayments, and Medicaid. Through her work with AUCH she also began working with the public behavioral health system and developed a passion for working with individuals with addiction and mental health disorders.

She has served as the Criminal Justice Program Administrator for the State Division of Substance Abuse and Mental Health and, prior to coming to Fourth Street Clinic, as the Associate Director of Salt Lake County Behavioral Health. She continues her work in health policy as a board member of the Utah Health Policy Project and as a member of the Addictions Technology Transfer Center's Behavioral Health Integration Committee.

Michele K. Goldberg, MD

Medical Director

Michele K. Goldberg, MD has been hired as the Medical Director and will begin her tenure in January 2017. Dr. Goldberg earned her medical degree in 2010 from the University of Southern California, Keck School of Medicine and is certified by the American Board of Family Medicine. Her background includes Chief Resident in Family Medicine at Kaiser Permanente Hospital in Woodland Hills, CA as well as substantial research in Pediatric Neurology, Oncology and Cardiology at the University of California – San Diego, the San Diego Cancer Center and Northwestern Healthcare in Evanston, IL. Her most recent engagement was as an associate physician in a private medical office.

LaFaye Bergman, PharmD Pharmacy Director

LaFaye has a Doctor of Pharmacy degree from the University Of Utah College Of Pharmacy (2007). She worked at a pharmacy benefits manager (RxAmerica) and then at Primary Children's Medical Center before volunteering at Fourth Street Clinic Pharmacy in November 2009. Six months later, she was hired as a part time pharmacist. In July 2013, LaFaye became the pharmacy director.

Ron Kehl, DDS Dental Director

Ron received his Doctorate Degree in 1998 from the University of Oklahoma. He graduated with Honors in Operative Dentistry and received the Don M. Ishmael Essay Award. Ron received his undergraduate degree in Biology with a minor in Chemistry at the Utah State University. In addition, he was awarded a four-year full-ride collegiate scholarship in Track and Field, Utah State University. He has spent the last 13 years as the Managing Director of the TriCounty Dental Clinic, a public health clinic of the TriCounty Health Department serving Daggett, Duchesne and Uintah, Utah counties.

Tiffany Gregory Director of Clinical Operations

Prior to joining Fourth Street Clinic in 2012, Tiffany worked at the Utah State Hospital, an inpatient lock-down mental health hospital for chronically and severely mentally ill adults, youth and children. While at Utah State Hospital, she focused on working with institutionalized adults and getting them discharge ready for community placement. Additionally, she implemented sensory integration therapy services for the youth and children units that were used to reduce trigger behaviors while in school and community setting.

During her Physician Assistant studies, Tiffany had the opportunity to rotate in rural and medical resource limited areas in Utah, such as with the Navajo Indian Health Services, Fourth Street Clinic, and rural town pediatric care clinics.

Since starting at Fourth Street Clinic, she has had many roles that encompass working with chronically and medically fragile homeless patients. As the Clinic Manager she assisted in implementing women's health day for screening mammogram services for uninsured women between 40-64 years old. In her current position as the Director of Clinical Operations she coordinates and collaborates with the chief medical officer and chief operations officer to maintain and ensure compliance measures for HRSA grants. In addition, she oversees the quality improvement activities as well as staff training.

Monte Hanks Client Services Director

Monte has over 20 years of experience at the Fourth Street Clinic as a liaison with our homeless population, medical providers and the community: linking people with services. He has created and developed a Medical Case Management System and our Recuperative Care Program. Monte represents the Clinic in many community meetings and presentations regarding the services provided at Fourth Street Clinic as well as the medical/social implications of homelessness.
