This addendum issued with written comments, drawings and/or specifications is for all persons preparing Bids for the 4th Street Clinic and, as enumerated herein, shall be included in the Contractor's Bid; this addendum becomes a part of the Contract Documents and modifies the original bidding documents. Bidders should acknowledge receipt of this Addendum on the Contractors Bid Form. Failure to do so may subject the Bidder to disqualification. In case of any conflict between the drawings, specifications and this addendum, the latest addendum shall govern. All changes, corrections, deletions and/or additions to the initial bidding documents shall govern. All changes, corrections, deletions and/or additions to the initial bidding documents shall be included in the Bidder's proposal. This review does not relieve the contractor or supplier of the responsibility of conforming to the drawings and specifications, nor does it relieve the contractor of the requirements of the specifications for coordination with other trades. All dimensions shall be confirmed and correlated at the job site. The Contractor shall be responsible for verifying existing conditions and the suitability of "equivalent" products for the specified application.
