

FOURTH STREET CLINIC SLIDING FEE SCHEDULE

The Fourth Street Clinic provides homeless health care services on a sliding fee scale for eligible applicants based upon the HHS federal guidelines for those living at or below 200% of poverty level income as shown in the table below. Families or individuals with income above 200% of poverty level are not eligible for sliding fees discounts.

- ✘ If family income is equal to or less than 200 % of poverty, patients must apply to qualify for the sliding fee discounts.
- ✘ Families with incomes greater than 150% of poverty will be asked to provide verification of income as defined in the sliding fee discount policy and procedures.
- ✘ If family income is greater than 200% of poverty level, or the patient is covered through an approved third-party insurer, services are billed at non-discounted contract rates for services other than Pharmacy. For Pharmacy and Pharmaceuticals, the fee is cost plus \$1.
- ✘ Fourth Street Clinic accepts Medicaid, Medicare, Primary Care Network (PCN) and Utah’s Children’s Health Insurance Program (CHIP).

FOURTH STREET CLINIC TARIFA MOVIL:

La Clínica Fourth Street provee cuidados de salud a individuos indigentes y a quienes califiquen, guiándose por una tarifa móvil, la cual se basa en las pautas establecidas por el Departamento de Salud y Servicios Humanos del gobierno federal para aquellos cuyos ingresos son 200 % o menores del nivel de pobreza, el cual puede observarse en la tabla al final de la página. Las familias o individuos cuyos ingresos sean mayores al 200% del índice de pobreza no califican para dichos descuentos.

- ☒ Si el ingreso familiar es igual o menor que el 200 % del índice de pobreza, los pacientes deben aplicar para los descuentos de la tarifa móvil.
- ☒ A las familias cuyos ingresos sean mayores al 150 % se les pedirá que provean verificación de dichos ingresos, tal como está definido en la tarifa móvil de descuentos.
- ☒ Si el ingreso familiar es mayor que el 200% del nivel de pobreza, o el paciente está cubierto por un seguro médico, los servicios brindados serán cobrados a un precio sin descuento, excepto la farmacia. Por la farmacia y medicamentos, el precio es el costo más \$1.
- ☒ La Clínica Fourth Street Clínica acepta Medicaid, Medicare, Primary Care Network (PCN) y Utah’s Children’s Health Insurance Program (CHIP).
